SO'Z BOSHI

San'at olami shunday o'lkan beqiyos va sirli olamki, yuragi jo'sh urib turgan har bir inson undan bahra olish, quvonish istagida albatta, bo'ladi. Ayniqsa qo'shiq, kuy tinglaganda inson ruhiy va ma'naviy ozuqa olishini qadimdan bobokalonlarimiz bir necha bor ta'kidlab o'tishgan.

Shunday ekan birov dildan qo'shiq kuylaydi, birov cholg'uda maromiga etkazib kuylar ijro etadi, kimlardir shunday kuy va qo'shiqlarni yaratadi, tinglovchilar esa yaratilgan kuy va qo'shiqlarni tinglab ma'naviy ozuqa olishadi.

Men oddiy ijodkor o'qituvchi sifatida baholi qudrat mahalliy shoirlarimizdan tortib, Respublikamizda taniqli shoirlarimiz she'rlariga kuy bastalab qo'shiqlar yaratishga harakat qildim.

Ushbu to'plamni "Qalb navolari" deb atadim. To'plam mening bir necha yillik ijodiy mehnatim mahsulidir. To'plamdan o'rin olgan qo'shiqlarim qo'shiqsevar muxlislar qalbidan joy olsa demakki baxtiyor ijotkorman.

Niyatim, Ollohning in'omi bo'lgan kuy va qo'shiq tinglash istagi hech birimizni zinhor tark etmasin.

Polvonlari o'zbekning

Abdug'affor Ochilov she'ri

Bir el borki dunyoda ko'z-ko'z bo'lgan sultoni,
Elni elga tanitgan baxshi, shoir polvoni.
G'ayrat kamarin bog'lab lol qoldirib dunyoni,
Halol kurashib yurar polvonlari o'zbekning.

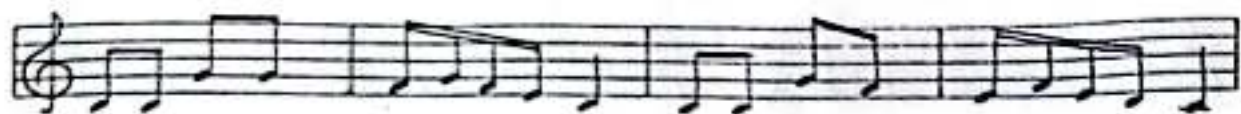

Bu dunyoning shundayin polvon sifat eli bor,
Har bitta pahlavonin urab solar chili bor.
Alpomishdek baquvvat bilagi bor, beli bor,
Yurtga shon olib kelar polvonlari o'zbekning.

G'irromlikni bilmagan, qolmagan hech „dak-ki“ deb,
„Chala“, „harom“ kurashni o'ziga ko'rmagan eb,
Kunmagan bokovullar aytmaguncha „halol“ deb,
Mardu maydon kurashgan polvonlari o'zbekning.
